*"On behalf of the Debs Committee and all the guests that attended on Monday night, I'd like to thank Deirdre, Sinead and all the team at the Kilkenny Ormonde.*

*When we started organising the debs during the school year, Deirdre was such a pleasure to work with and planned nearly everything for us to the best standards so we could concentrate on our studies and not have to worry about all the little details to do with the debs.*

*On the night the debs ran so smoothly from beginning to end, the staff were brilliant and the meal was lovely and served without any huge delay. Downstairs the conference room was transformed into a nightclub set up which we were delighted with, you would never have thought that it was a conference room at all. The set-up, band and DJ were all amazing and we have Kilkenny-DJs Ireland to thank for that. Everyone had a brilliant night and we all really enjoyed ourselves!*

*I would highly recommend the Kilkenny Ormonde Hotel to anyone that was thinking of holding an event there as I can guarantee you'll have a great time and a night to remember."*
